### Stud Fees:

Our stud fee is \$\_\_\_ OR, pick of litter *after* the female's owner + \$500 paid to the litter owner to help cover the costs associated with raising that puppy. *Stud owner's choice. Circle the chosen option below:*

1. Stud fee: The stud fee is required to be paid in full within 7 days following the whelping. Once payment has been received, the AKC litter registration will be approved. Four (4) puppies are considered a full litter regardless if it is a natural, chilled or frozen breeding. With less than four (4) puppies, the stud fee is \$250/puppy.
2. Puppy Back: The stud owner has selected pick of the litter (2nd pick if the dam's owner is keeping a puppy). The stud owner will pay the litter owner \$500 at puppy pick up.

Insert color/gender and any additional requirements:

---

If there is not a puppy born that meets this criteria, or less than four puppies are born,  
Option 1 - paying a stud fee will go into effect.

For fresh-chilled semen the owner of the female is responsible for the collection fee and for frozen semen, the female owner is responsible for all costs associated with retrieval, tank rental and shipping. Please give us at least a three-day notice on frozen to ensure proper shipment can be arranged.
